PRODUCT INFO

Creative **Services**

Ads that look great, built for every channel, delivered fast.

Bring your campaign to life with professionally designed ads. Our creative team is transparent, easy to work with, and fast. Send us your assets, message, and colors, and we'll handle the rest.

WHY WORK WITH US

Custom approach

Every ad is designed around your brand, so your audience sees you at your best.

Fast turnaround

Most ads are delivered in about 2 business days from when we receive your materials.

Easy communication

A transparent, responsive team that keeps you in the loop from draft to approval.

Built to spec

Every ad is sized and formatted for its platform, so nothing gets rejected at launch.

WHAT WE CREATE

- **Static image bundle** — 5 ad sizes
- **Animated GIF bundle** — 5 ad sizes
- **Social image ads** — Image plus ad copy
- **Social video** — Facebook, Instagram, and TikTok
- **Social carousel** — One large, swipeable image
- **Email template** — Designed and built for any device

WHAT WE NEED FROM YOU

Creative brief

Campaign goals, target audience, tone, key messages, preferred formats, and any requirements.

Call to action

What you want people to do: visit your website, buy, sign up, call, and so on.

Copy or key messages

Taglines, slogans, or key points, plus any notes on placement and emphasis.

Visual assets

Your logo, product photos, and any images you'd like us to use.

Requirements vary by creative type.

Designed to perform.

Let's create ads your customers can't scroll past. maxmediadigitalllc.com
