MAX MEDIA DIGITAL

PRODUCT OVERVIEW

Creative **Services**

Ads that look great on every channel, designed by our team and delivered fast.

maxmediadigitalllc.com

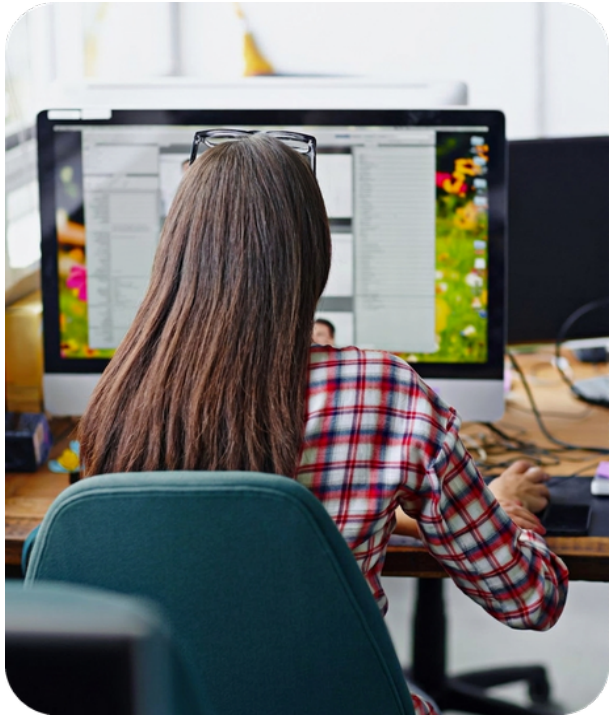

What Makes Our Creative Different

Scalable and stress-free
One ad or a full campaign set, we handle it all.

A team that communicates
Transparent, responsive, and easy to work with.

Fast turnaround
Most ads delivered in about 2 business days.

Built to spec
Sized and formatted for every platform we run.

What We Create

Static image bundle

Your ad in 5 standard display sizes, ready to run across the web.

Animated GIF bundle

Motion that catches the eye, in the same 5 display sizes.

Social image ads

Scroll-stopping images paired with ad copy for social feeds.

Social video

Short videos made for Facebook, Instagram, and TikTok.

Social carousel

One large image split into a swipeable carousel.

Email template

A branded email designed to look great on any device.

What We Need From You

Creative brief
Goals, audience, tone, key messages, and preferred formats.

Call to action
What you want people to do: visit, buy, sign up, or call.

Copy or key messages
Taglines, slogans, or key points to highlight.

Visual assets
Your logo, product photos, and any images to include.

How It Works

01

Share your materials

Send your brief, message, and brand assets.

02

We design

Our team builds your ads to each platform's specs.

03

You review

Request changes and approve the final versions.

04

We launch

Your ads go live, and we keep optimizing.

Most ads are ready in about 2 business days from when we receive your materials.

MAX MEDIA DIGITAL

Designed **to Perform.**

Let’s create ads your customers can’t scroll past.
